Colleges, B.Sc Computer Science in 4 Govt. Colleges. B.Sc Medical in 2 Govt colleges (where Non-Medical is already being run) was also allowed. The details are as per annexure enclosed.

2. It was decided that Principals should ensure actual admission of 40 students in Non-Medical and 20 students in medical; otherwise the Principals should not start the new stream by taking a decision at his /her own level. To avoid litigation, an undertaking should be taken from the applicant that he/she will change the stream if sufficient number of students do not enroll in this particular stream.
3. It was also decided that a separate Science block (wherever required) would be added after the Science Stream is successfully started in a college.
4. The Principals were asked to initiate steps i.e. printing of prospectus, setting up of labs etc. for introduction of Science Stream.

The meeting ended with a vote of thanks to the Chair.

Memo No. KW 3/9-13 CI(1)

Dated, Panchkula, the 6-8-13

**Subject: - To increase the number of seats in B.Sc.-I (Med. & Non.Med.)/B.Com.I.**

=====

With reference to the subject above, it has been decided that if application forms for admission to above classes are lying pending, then the Principals can admit **one additional unit(80 seats)** over and above the number of seats allotted earlier subject to the conditions that:-

- i) at least 40 additional students take admission in that particular class;
- ii) there is availability of sufficient infrastructure like rooms/ labs etc. for additional strength;
- iii) the additional workload will be managed by the existing faculty or by engaging teaching faculty on extension lecture basis.
