

Physics department

(Lesson plan odd sem 2025-26)

Class	BSc 1 st sem		BSc 3 rd sem	BSc 5 th sem
Name of teacher/paper	Ms. Pervinder kaur (life science)	Ms. Jagjeet kaur (Physical science)	Ms. Pervinder kaur (Physical and life science)	Ms. Pervinder kaur (Physical science)
22.07.25-31.07.25	Dynamics of rigid body and moment of inertia	Dynamics of rigid body and moment of inertia	Introduction of thermodynamics	Introductory quantum physics
01.08.25-15.08.25	Dynamics of rigid body and moment of inertia & Class Test	Dynamics of rigid body and moment of inertia & Class Test	Thermodynamics - I & Class Test	Introductory Quantum physics & Class Test
16.08.25-31.08.25	Elasticity	Elasticity	Thermodynamics - I & Class Test	Solid state Physics
01.09.25-15.09.25	Elasticity & Class Test	Elasticity & Class Test	Thermodynamics - II	Solid state Physics & Class Test
16.09.25-30.09.25	Special theory of relativity	Special theory of relativity	Thermodynamics - II	Atomic and molecular physics
01.10.24-15.10.24	Special theory of relativity & Class Test	Special theory of relativity & Class Test	Statistical - I & Class Test	Atomic and molecular physics & Class Test
16.10.25-31.10.25	Gravitational and central force motion	Gravitational and central force motion	Statistical - I&II	Nuclear and Particle Physics
01-11-25-24.11.25	Gravitational and central force motion & Class Test	Gravitational and central force motion & Class Test	Statistical - II & Class Test	Nuclear and Particle Physics & Class Test

 Pervinder Kaur
