Topic :- An aptitude test for final year students.

Date :- 24-02-2025

No. of students participated = 170 Students (B.Com-III, B.Sc-III, B.A-III)

Keynote person :- Anu Sethi, Centre Head, Hartson Skill Centre (Ambala Cantt.)

The Placement cell in association with Hartson, a state government undertaking, organized an aptitude test for final year students. The primary objective of this test was to identify the Interest and personal qualities of the students, which are crucial factor in career planning. aptitude test are designed to assess a student's inherent abilities, skills and per personality traits. These tests help students understand their strengths and weaknesses enabling them to make informed decisions about their career paths. By participating in aptitude tests, students can enhance their self awareness and confidence & develop a better understanding of their personal qualities and skills. Identify their areas of interest and aptitude.

The aptitude test was a successful initiative that provide students with valuable insights into their interest personality traits and aptitudes.

Subject: Aptitude Test for Students

Dear Sir/Madam,

As you are aware that Hartron, A State Govt. Undertaking is providing computer training to the students through franchise centres.

At HARTRON, we believe that as students enter the domain of employment, they move closer to make tough choices for their future. These choices are influenced by number of factors like interests, personality, aptitude etc. We would like to inform that Hartron Skill Centre, Ambala Cantt Centre (Centre Code: 68) would like to conduct an **APTITUDE TEST** for the benefit of the students in your premises. This test will help them to know their interests and personal qualities which play a key role in career planning.

You are requested to please motivate the students and encourage them to attempt the test. Further, Students can attend three days free workshop. In case of any query, please call me.

Thanks,

Yours Sincerely,

(Anu Sethi)
